Dear Dasha,

I regret to inform the university
that I can no longer take on my
place on this course as a mistake
must have been made|

remember you already sent the right email

Subject: Re: University of Oxford - Your app...

Thank you so much for your assistance throughout the admissions process and for honouring me with an offer to study for the MSc in Global Health Science and Epidemiology at the NDPH! I am incredibly grateful and excited for this opportunity!
